

Nicola Wilson Clinic

Nicola Wilson has kindly agreed to travel to the US to conduct two clinics, one in the Middleburg area and one in the Charlottesville area.

Nicola has been a stalwart of the GB eventing team for many years, making her name with Opposition Buzz, winning team gold at WEG 2010 and team silver at London Olympics 2012 and more recently with Annie Clover, One Two Many and Bulana on whom she won team gold and individual bronze at the 2017 European Championships.

Those of you who attended her clinic in 2013 will remember her as a wonderfully clear, insightful and humorous clinician who made impressive improvements in all she taught. Exercises were progressive and so appropriate at every level for modern day eventing.

Clinic date: Wednesday 6th and Thursday 7th December 2017

Venue: Hickory House Farm (by kind permission of Mimi Abel Smith)

Arrangements have been made for an alternative indoor location should the weather call for it!

It is hoped to have 4 groups of 4 per day at levels from Beginner Novice upwards. Cost will be \$150 per day + ring/course fee (not yet finalized)

Day 1 will be Show Jumping and Day 2 will be on the XC course

Auditors are welcome (bring a chair). Food & Drinks provided. Donations are appreciated.

The groups will fill up in order of checks received, then a waiting list will be started for each level. Your check will not be deposited if you do not make it in to the clinic off the waiting list. Closing date for entering is Nov 1.

Lessons are \$150 each. Times will be mailed prior to the clinic.

RIDER NAME _____ Email _____
