

Dressage Clinic with FEI Dressage Trainer Jeffrey Lord
May 18th – 20th 2018

Through a love of horses, over 20 years of hard work, and thousands of hours in the stable, Jeffrey Lord has learned not only to ride these amazing animals, but to open the lines of communication and work in unison with even the most challenging of horses. Jeffrey works in harmony with the horse to create a beautiful picture of horse and rider floating effortlessly across the arena as one. He believes that the horse must want to work with the trainer and never be forced. Jeffrey's passion and natural talent for working with these animals has allowed him to live his dream as a Professional Dressage Trainer. Jeffrey is a USDF Bronze and Silver Medalist.

Jeffrey is currently competing several horses on the Florida dressage circuit including Rubiana MSF a 2011 Hanoverian mare by Rubignon out of Beatrix (pictured above) and Enamorada ADF a 2007 PRE Mare by Genil-Mac out of Carisma Del C.
